PARKWAY PANTAI EXPANDS HEALTHCARE OFFERINGS IN KEDAH THROUGH ACQUISITION OF AMANJAYA SPECIALIST CENTRE

Kuala Lumpur, 1 October 2018 – Parkway Pantai has acquired a 100 per cent stake in Amanjaya Specialist Centre Sdn Bhd. The deal enables Parkway Pantai to cater to patient volume growth at its wholly owned 118-bed Pantai Hospital Sungai Petani and expand its service offerings to the local community.

Joe Sim, Chief Executive Officer of Malaysia Operations Division, said, “Amanjaya Specialist Centre is a good fit with Parkway Pantai’s healthcare portfolio in Malaysia. The acquisition enables us to grow our healthcare services at Pantai Hospital Sungai Petani, which is operating at near maximum capacity. With the acquisition, Parkway Pantai will streamline and synergise the operations and services at Pantai Hospital Sungai Petani and Amanjaya Specialist Centre to better serve the patients in Kedah.”

Amanjaya Specialist Centre is a 98-bed multi-specialty hospital in Sungai Petani, Kedah. It is the first hospital in Malaysia to incorporate green technology and design in its construction and operations.

The acquisition will not affect clinical services at both hospitals. Patients will continue with their existing care plans at each facility until further notice.

In the months ahead, Amanjaya Specialist Centre will be renamed accordingly to fully leverage the brand name and 40-year hospital management expertise of Parkway Pantai.

Parkway Pantai operates 10 Pantai Hospitals and four Gleneagles Hospitals across Malaysia. Pantai Hospital Sungai Petani, acquired in 2009, is a 118-bed multidisciplinary specialist hospital offering a range of services including general medicine, general surgery, obstetrics and gynaecology, cardiology, ophthalmology and orthopaedics.
